We are pleased to announce the Coastal Bend-Texas Chapter of the American Red Cross will host the eighth annual **"Red Cross BASH"** on the evening of March 9, 2012 at the American Bank Center.

Legendary Austin, Texas band, **SKYROCKET** is perhaps the most wickedly original party band to emerge from any music scene, let alone a city like Austin where original music rules. Two things make SKYROCKET! stand out: 1) The players. All of them are recording artists in their own right. Maybe you've seen them before, on tour, on TV, or performing around Austin. 2) The songs. It all started when this handful of the city's most successful and well-loved songwriters discovered a common passion for '70s "solid-gold" music: Disco, glam rock, soft rock and soul one-hit wonders.

As you have come to expect this Red Cross BASH 2012 will provide an enjoyable night filled with dinner, dancing, silent and live auctions, cash bar, photo opportunities with military vehicles and other exciting activities! Over the last seven years the continued success has made Red Cross BASH one of the **"must attend"** events in South Texas.

Our attainable goal this year is to reach an attendance of over 1,000 so your sponsorship is a great way to showcase your continued support for the American Red Cross. All funds raised will support our disaster services and training classes in the 12 counties we serve. **Tickets are on sale now for \$100 each and table sponsorships start at \$1,500.**

Please mark your calendar for March 9, 2012 to attend. For additional information, please feel free to contact us.

Respectfully,

Gary Chatham
